FYI. We had our monthly call with Tulane regarding the Petition for Rulemaking (WQS for Mossy Lake/Coffee Creek) yesterday. Corrine Van Dalen, the Tulane attorney who submitted the letter on behalf of Ouachita Riverkeeper and LEAN requesting that EPA object to ADEQ's draft permit for GP, was on the call. We discussed her letter and the current status of EPA's review, so there is no need to set up a separate call with her. Renea

Could it wait until after we meet with Arkansas? Renea would be the main one to join in discussing the permit.
